Father Krug, formerly of St. Vincent's arch-abbey, Beatty, Pa., who is abbot of Monte Cassino. When he was patriarch of Venice the pope promised to visit Monte Cassino the first time he came to Rome and he intended to go there after the conclave but as he was elected pope he could not carry out his plan. CORNELL WON THE REGATTA

Secured Two Firsts and One Second in Rowing Events at Poughkeepsie.

HONORS ALMOST EVENLY DIVIDED WITH SYRACUSE

Latter Scoring One First and Two Seconds in Contest.

CORNELL REGAINED PRESTIGE WITH UTMOST EASE AND IN MAIN FEATURE OF THE DAY WAS NEVER PRESSED AFTER FIRST QUARTER.

By Associated Press.

Poughkeepsie, New York, June 28.—Cornell regained her prestige in the inter-collegiate rowing affairs today by winning, with utmost ease, 'Varsity eight oared and the freshmen eight oared races in the inter-collegiate regatta. Syracuse gained the decision in the 'Varsity four-oared race after a sensational and exasperating "mix-up" of which even the judge's boat gave out conflicting decisions, victory being given first to Cornell, although Syracuse came in first.

In the Varsity race the feature of the day, Cornell was never pressed after the first quarter mile had been covered.

In the four oared 'Varsity race, Syracuse won with Cornell second, and in the freshmen eight oared race Cornell won with Syracuse second. Thus Cornell and Syracuse almost evenly divided the honors of the day, the former getting two firsts and one second, and the latter getting one first and two seconds.

DEMANDS OF THE VICTORIOUS JAPS

Political Parties Unanimous for Cession of Territory and Payment of Ample Indemnity to Recompense Japan for All Outlays and Expense of War.

By Associated Press.

Tokio, June 28.—The committee of the Constitutional party of which Marquis Saloni is president met to-day and passed the following resolutions: "The Constitutional party since the outbreak of the war, frequently has published its conviction for the sake of realizing the aim and purpose of the war and proving the national unity of feeling. Now that the question of concluding peace has been brought up, though not necessary to state terms of peace in detail, we yet deem it necessary and opportune to declare that, for the sake of realizing the aim and purpose of the war, as stated in the declaration of hostilities and also for the sake of securing a future guarantee of peace in the interest of our empire, as well as for the placing of peace in the extreme east on a permanent basis a cession of territory and repayment for the outlays caused by war should be demanded and the Korean and Manchurian questions be definitely and clearly settled."

A manifesto published to-day by the Progressive party is practically identical with the resolution adopted by the Constitutionalists.

BIG CASE WILL BE HEARD TODAY

RAILROADS WILL SEEK TO ENJOIN RAILROAD COMMISSION OF FLORIDA FROM ENFORCING A NUMBER OF NEW ORDERS.

An important case, and one bearing upon the powers vested in the Florida Railroad Commission, will be heard to-day in the United States court Judge Swayne presiding, and the result will be watched with interest all over the state.

According to what could be learned last night from Attorney General Ellis who is here to represent the interests of the state, the Railroad Commission recently issued an order to all railroads to reduce their rates upon lumber, doors, sash, blinds and flour. This order applies to the S. A. L., A. C. L., L. & N. and G. S. & F.

These roads have prepared to fight the case, and will to-day go before Judge Swayne and ask that the commission be enjoined from enforcing such an order, alleging that it will work a hardship upon the roads.

Last night a large party arrived in the city in connection with this case. In addition to Attorney General Ellis and his assistant, Mr. Bryan, there were W. B. Denham, general superintendent of the A. C. L., and his attorney, Jno. E. Hartridge; Judge Geo. P. Raney, of the S. A. L.; Duncan P. Fletcher, of the G. S. & F., and others. W. A. Blount will represent the L. & N.

ROOSEVELT AT HARVARD

Attended Commencement Exercises at University Wednesday.

DELIVERED THE PRINCIPAL ADDRESS AT ALUMNI DINNER

Streets Crowded and President Was Heartily Cheered.

CORDIAL GREETING EXTENDED BY CHIEF EXECUTIVE TO COLORED LAUNDRESS WHO HAD DONE HIS WORK WHILE AT COLLEGE.

By Associated Press.

Cambridge, Mass., June 28.—The second day of President Roosevelt's visit to Harvard college to participate in the celebration incident to the twenty-fifth anniversary of the graduation of his class, that of 1880, included a varied program. To-day was Harvard's annual commencement, and the visit of the president to his alma mater lent additional interest to the event that is always interesting. The president was to deliver the principal address at the alumni dinner and in addition was to participate in a number of festivities most of a private nature. After having breakfast at the home of Bishop William Lawrence, the president was driven to Massachusetts hall, in front of which ancient structure the commencement procession was formed. The president was accompanied by Lieutenant Governor Guile, who represented Governor Douglas, the latter being detained by illness at his home in Brockton. The national laurers, garbed in their picturesque costumes, with red tunics and ulian caps, formed the president's escort.

The commencement exercises included the granting of diplomas to the graduates in the various departments of the university and the bestowal of honorary degrees.

The day was beautiful. After the long and active day yesterday the president had a restful night at the home of Bishop Lawrence. He did not arise until 8 o'clock. Even at that hour a visitor was waiting to see him in the person of Mary A. Taylor, the colored woman who did the president's washing while he was at college. Before going to breakfast President Roosevelt appeared on the veranda where the caller was sitting and shook hands with her and gave her a cordial greeting. The woman had a hard time to convince the police who were on sentry duty about the grounds that she was what she pretended to be. Finally they permitted her to take a seat on the veranda and they submitted the question of meeting her to the president. As soon as he was informed of the episode, Mr. Roosevelt said he would see her.

Breakfast was scarcely over when the laurers, escorted by Lieutenant Governor Guile, representing the commonwealth, arrived at the residence of the bishop. After the exchange of courtesies the president, accompanied by the lieutenant governor, proceeded to the streets where the procession moved to the yard at Harvard.

The streets were crowded and the cheering as the president's carriage passed was continuous. As the party entered the yard the chimes on Christ church played "Fair Harvard," and as soon as the president was inside the gate every hat was removed. The party proceeded at once to Massachusetts hall. A few moments later they were joined by Secretary of War Taft, accompanied by Judge Francis C. Lowell, Charles J. Bonaparte and former Secretary of the Navy John D. Long, and the entire procession then started for Sanders theatre.

President Eliot then presented the honorary degrees. President Roosevelt delivered the principal address at the commencement dinner.

Shooting Affray at Bristol The Result of at Old Feud

Special to The Journal. Bristol, Fla., June 28.—As the result of an old feud existing between L. B. Shuler and S. D. Johnson, of this place, the latter lies at the point of death from a pistol shot inflicted by Shuler. The altercation occurred in front of M. C. Herndon's store about 11 o'clock Tuesday. Shuler used a 38-calibre Smith & Wesson and fired four shots, two of which took effect, one in the arm and one in the back. Drs. Tuten and Tagard probed for the bullet in the back, but so far have failed to get it, and pronounce the wound a serious one.

Shuler, who is a cripple, deliberately walked to the postoffice where he untied his horse, got into his buggy and drove away. Officers are in pursuit of him, but at this writing he has not been arrested. Johnson's wife is in Savannah, Ga., at a hospital, and he was taken to the boarding house of H. O. Calvin, where the doctors are attending him. Johnson is a prominent naval stores man of the firm of Johnson & Thagard, and Shuler was tax assessor for Liberty county, his successor was elected last fall.
